Lesson 10 – August 8, 2021

I Won't Turn Back

O the mountain is high, but it's not too steep
And the battle is rough, but I'm not too weak
And I won't turn back, no! I won't turn back.
The road is hard, but it's not too long
And the enemy is near, but he's not that strong
And I won't turn back, no! I won't turn back.

Praise Him for the Victory

Lift up your voice and sing for joy
Clap your hands make a joyful noise
Blow the trumpet and shout
We praise Him for the victory
The weapons we use are not bombs and guns
Worship is the way that the battle is won
This is the way we fight
We praise Him for the victory
