The Truth Shall Set You Free

Verse 1

Por favor, Excuse me, un momento
Listen mi amigo to my song
Don't take a siesta or wait till mañana if you have to admit that you're wrong
Don't just say that the dog ate your homework
Or the gum beneath your chair, I don't know who put it there!
If your story is falsa you'll be in hot salsa
So the best thing to do is to simply declare

Chorus

La verdad la verdad
The truth is from God
This is so
So why oh why oh why
Would we ever want to lie
I don't know
God says what we should do
We should always tell the truth and we'll see
La verdad is from God
Yes the truth will set you free

Verse 2

Oh I ask you do you comprende?
Do you see the problema with the lies?
One leads to another. You'll have to take cover
But they don't make sombreros that size
So the Lord doesn't want you going loco
That is why He's made it clear as 1, 2, 3
His ways are muy buena and meant to protect us
So come on muchachos it's time we embrace

Verse 3

When you stand on the truth, you're standing on the solid rock

Suprema

Then you cannot be moved and you have a better life, la viva buena

God will say bravo, fantastico because He's for us

So mi hitos and mi hitas, join me and repeat this chorus

In a new key of course
